## **Eurasian Congress of Economic Geographers (Human Geographers)**

**1 – 9 June 2025**  
**Osh - Bishkek,**  
**Kyrgyz Republic**

**Osh - 2025**

## Organizers:

- ❖ Osh State University (Kyrgyzstan)
- ❖ Association of Russian Human Geographers (Russia)
- ❖ Arabaev Kyrgyz State University (Kyrgyzstan)
- ❖ Institute of Geography of the Russian Academy of Sciences (Russia)

## Co-organizers (partners) of the congress:

- Asian Geographical Association
- Geographical Society of the Republic of Srpska (Bosnia and Herzegovina)
- Geographical Society of Serbia (Serbia)
- Institute of Geography of the National Academy of Sciences of Azerbaijan (Azerbaijan)
- Saudi Geographical Society (Saudi Arabia)
- Al-Farabi Kazakh National University
- Babur Andijan State University

### SCIENTIFIC ORGANIZING COMMITTEE EURASIAN CONGRESS OF ECONOMIC GEOGRAPHERS (HUMAN GEOGRAPHERS)

#### *Co-Chairs of the Organizing Committee:*

- **Druzhinin Alexander Georgievich**, President of the Association of Russian Human Geographers (ARGO), Director of the North Caucasus Research Institute of Economic and Social Problems of the Southern Federal University, Leading Researcher at the Institute of Geography of the Russian Academy of Sciences, Doctor of Geography, Professor (Russia);
- **Nizamiyev Abdurashit Gumarovich**, Director of the Institute of Natural Science, Physical Education, Tourism and Agricultural Technologies of Osh State University, Doctor of Geography, Professor (Kyrgyzstan);
- **Dyldaev Mirlan Muktarovich**, Director of the Institute of Natural Sciences and Tourism, Arabaev Kyrgyz State University, Doctor of Geography, Professor (Kyrgyzstan);
- **Kolosov Vladimir Aleksandrovich**, Deputy Director of the Institute of Geography of the Russian Academy of Sciences, Vice President of the Russian Geographical Society, Honored Geographer of Russia, Professor of the Faculty of Geography and Geoinformatics of the Higher School of Economics, Past President of the International Geographical Union, Doctor of Geography, Professor (Russia).

#### *Academic Secretary - Coordinator of the Organizing Committee:*

- **Okunev Igor Yuryevich**, Vice President of the Association of Russian Human Geographers (ARGO), Leading Research Fellow at the Institute of International Studies of MGIMO University, PhD in Political Science, Associate Professor (Russia).

#### *Committee Members:*

- **Aldosari Ali A.**, President, Saudi Geographical Society (Saudi Arabia) ;
- **Atta-ur-Rahman**, President, Pakistan Geographical Association (Pakistan) ;
- **Akhmadaliev Yusufjon Ismoilovich**, Vice Rector for Research at Fergana State University, Doctor of Geography, Professor (Uzbekistan);
- **Battsengel Vandansambuu**, Director, Urban and Regional Development Research Institute, National University of Mongolia (Mongolia);

- **Garmaev Endon Zham'yanovich**, Corresponding Member of the Russian Academy of Sciences, Director of the Baikal Institute of Nature Management of the Siberian Branch of the Russian Academy of Sciences, Doctor of Geography, Professor (Russia);
- **Gnyato Rajko**, Professor at the Department of Geography, University of Banja Luka, PhD in Geography (Bosnia and Herzegovina);
- **Avirmed Dashtseren**, Director General of Institute of Geography and Geoecology, Mongolian Academy of Sciences (Mongolia);
- **Ibragimov Aydin Ismail-oglu**, Head of the Department of Economic and Political Geography of Foreign Countries, Baku State University, Doctor of Geography, Professor (Azerbaijan);
- **Ilieva Nadezhda**, Head of the Economic and Social Section Geographer and the National Institute of Geophysics, Geodesy and Geography of the Bulgarian Academy of Sciences, PhD in Geography (Bulgaria) ;
- **Imrani Zaur Tahir Oglu**, Executive Director of the Institute of Geography of the National Academy of Sciences of Azerbaijan , PhD in Geography (Azerbaijan);
- **Isaev Akbarzhon Abdulhamidovich**, acting professor of the Department of Geography of Andijan State University named after Babur, Doctor of Geographical Sciences (Uzbekistan);
- **Kaan Kapan**, Secretary General of the Turkish Geographical Society (Turkey);
- **Kuznetsova Olga Vladimirovna**, Deputy Director for Science, Institute of Economic Forecasting, Russian Academy of Sciences, Doctor of Economic Sciences, Professor, Professor of Russian Academy of Sciences (Russia);
- **Lachinsky Stanislav Sergeevich**, Head of the Department of Regional Policy and Political Geography, Senior Researcher at the Institute of Regional Economics Problems of the Russian Academy of Sciences, PhD in Geography, Associate Professor (Russia);
- **Makhmudov Muhammadismoil Mukhitdinovich**, Rector of Alfraganus University, PhD in Geography, Associate Professor (Uzbekistan);
- **Milincic Miroljub**, Director of the Russian Geographical Society Center in Belgrade State University, Doctor of Geography, Professor (Serbia);
- **Mohammadreza Hafeznia**, Professor, Department of Political Geography, Tarbiat Modares University, Chief-Editor of Geopolitics Quarterly (Iran)
- **Mukhabbatov Kholnazar Mukhabbatovich**, President of the Geographical Society of Tajikistan, professor of the Department of Tourism and Methods of Teaching Geography of the Aini Tajik State Pedagogical University, Doctor of Geography, Professor (Tajikistan);
- **Murtazaev Uktam Ismatovich** , professor of the Department of Physical Geography of the Aini Tajik State Pedagogical University, Doctor of Geography, professor (Tajikistan);
- **Nyusupova Gulnara Nurmukhamedovna**, professor of the Department of Geography, Land Management and Cadastre of the Kazakh Al-Farabi National University, Doctor of Geography, Professor (Kazakhstan);
- **Plokhikh Roman Vyacheslavovich**, Head of the Department of Recreational Geography and Tourism of the Al-Farabi Kazakh National University, Doctor of Geography, Professor (Kazakhstan);
- **Samiev Amruddin Muhammadievich**, Head of the Department of Tourism and Methods of Teaching Geography at the Aini Tajik State Pedagogical University, PhD in Geography, Associate Professor (Tajikistan);
- **Samiev Kalybek Tartankushevich**, Head of the Department of Economic Geography, Industry Economics and Tourism, Osh State University, PhD in Geography, Associate Professor (Kyrgyzstan);
- **Safdar Ali Shirazi** , Vice President, Pakistan Geographical Association (Pakistan);

- **Streletsky Vladimir Nikolaevich**, Head of the Department of Social and Economic Geography, Institute of Geography, Russian Academy of Sciences, Doctor of Geography, Professor (Russia);
- **Suresh Chand Rai**, Vice President, Asian Geographical Association (India);
- **Treivish Andrey Ilyich**, Leading Researcher, Institute of Geography, Russian Academy of Sciences, Doctor of Geography, Professor (Russia);
- **Tulokhonov Arnold Kirillovich**, Academician of the Russian Academy of Sciences, Scientific Director of the Baikal Institute of Nature Management SB RAS, Doctor of Geography, Professor (Russia);
- **Turdymambetov Izimbet Rakhmetovich**, Vice Rector for Research and Innovation at Berdakh Karakalpak State University, Doctor of Geography, Professor (Uzbekistan);
- **Fedorko Viktor Nikolaevich**, Teacher of Geography of the highest category at Secondary School No. 233 in Tashkent, PhD in Geography (Uzbekistan);
- **Chistobaev Anatoly Ivanovich**, Honorary Professor of the St. Petersburg State University, Honored Scientist of the Russian Federation, Doctor of Geography, Professor (Russia);
- **Chontoev Dogdurbek Toktosartovich** Rector, Kyrgyz National University, Doctor of Geography, Professor (Kyrgyzstan);
- **Humran Mohammed**, President of the Union of Arab Scholars (Yemen);
- **Eminov Zakir Namin Oglu**, Director General of the Institute of Geography of the National Academy of Sciences of Azerbaijan, Doctor of Geography, Professor (Azerbaijan);
- **Yazhevich Iwona**, Director of the Institute of Geography, Pomeranian University in Slupsk, PhD in Geography (Poland);
- **Yarotov Aleksey Evgenievich**, Chairman of the Belarusian Geographical Society, PhD in Geography, Professor (Belarus).

*Secretaries of the organizing committee:*

- **Momosheva Guliza Abylkasymovna**, Director of the Research Institute of Green Economy and Risk Management at Osh State University, PhD in Geography, Acting Associate Professor (Kyrgyzstan);
- **Solpueva Damira Toktosunovna**, Head of the Department of Geography and Technology of its Education, Arabaev Kyrgyz State University, PhD in Geography, Associate Professor (Kyrgyzstan).

## CONGRESS EVENTS

Osh city, June 2, 2025 (Monday)

8-30 – 9-00 Registration of Congress participants  
Tyuleiken village, Congress Hall of Osh State University "Resort", large hall

9-00 – 10-00

### **Grand opening Presentation of participants**

#### **Introductory remarks:**

- **Kozhobekov Kudaiberdi Gaparalievich**, Rector, Osh State University, Doctor of Physics and Mathematics, Professor (Kyrgyzstan);
- **Nizamiyev Abdurashit Gumarovich**, Director, Institute of Natural Science, Physical Education, Tourism and Agricultural Technologies, Osh State University, Doctor of Geography, Professor (Kyrgyzstan);
- **Kolosov Vladimir Aleksandrovich**, Deputy Director, Institute of Geography of the Russian Academy of Sciences; Vice President of the Russian Geographical Society, Honored Geographer of Russia; Professor, Faculty of Geography and Geoinformatics, Higher School of Economics; Past President of the International Geographical Union, Doctor of Geography, Professor (Russia);
- **Druzhinin Alexander Georgievich**, President, Association of Russian Human Geographers (ARGO); Director, North Caucasian Research Institute of Economic and Social Problems, Southern Federal University; Leading Researcher at the Institute of Geography of the Russian Academy of Sciences, Doctor of Geographical Sciences, Professor (Russia).

#### **Presentation of the congress participants:**

- **Okunev Igor Yuryevich**, Vice President of the Association of Russian Human Geographers (ARGO), Leading Research Fellow at the Institute of International Studies of MGIMO University, PhD in Political Science, Associate Professor (Russia);

10:00 – 12:30

#### **Plenary session**

#### ***Socio-Geographical Aspects of the Development of the Central Asian States***

(presentation time limit: up to 20 minutes)

**Moderators: U.I. Murtazaev, A.G. Nizamiyev, A.K. Tulokhonov**

*The Great Asian Divide in the system of international transport corridors: geopolitics, economics, environment*

**Tulokhonov Arnold Kirillovich**, Academician of the Russian Academy of Sciences, Scientific Director of the Baikal Institute of Nature Management SB RAS, Doctor of Geography, Professor (Russia)

*Geoeconomic factors and features of sustainable spatial development of border tourism in the Tajik-Afghan part of Badakhshan*

**Murtazaev Uktam Ismatovich**, Tajik State Pedagogical University named after S. Aini, Department of Physical Geography, Professor, Doctor of Geography;

**Mamadrizokhonov Akbar Alikhanovich**, Khorog State University named after M. Nazarshoev, Department of Geography and Tourism, Doctor of Geography, Professor (Tajikistan).

*Sustainable demographic development of the regions of Kazakhstan*

**Nyusupova Gulnara Nurmukhamedovna**, Head of the Laboratory of Geodemographic and Socio-Economic Studies, Al-Farabi Kazakh National University, Doctor of Geography, Professor (Kazakhstan)

*Sustainable functioning of mountain urban systems in the Kyrgyz Republic*

**Dyldaev Mirlan Muktarovich**, Vice Rector for Research, Kyrgyz National University named after J. Balasagyn, Doctor of Geography, Professor (Kyrgyzstan).

*Main directions in the development of transport in Uzbekistan*

**Isaev Akbarjon Abulhamidovich**, Doctor of Geography, Professor, Andijan State University (Uzbekistan)

*Geopolitical relations of the Central Asian republics with Russia and its regions: quantitative analysis*

**Fartyshev Arseniy Nikolaevich**, Head of the Laboratory of Georesource Studies and Political Geography, Institute of Geography, Siberian Branch of the Russian Academy of Sciences, PhD in Geography (Russia).

*External economic factor of the industrial structure of the regions of Uzbekistan*

**Fedorko Viktor Nikolaevich**, teacher of Geography of the High School No. 233, Tashkent, PhD in Geography (Uzbekistan).

12:30 – 1:30 p.m.

**Lunch break**

13-30 – 15-30

**Plenary session**

***Global and Eurasian Shifts in the Economic, Geopolitical, Socio-Demographic and Natural-Climatic Spheres and the Tasks of Human Geography***

**Moderators: R. Gnyato, V.A. Kolosov, Safdar Ali Shirazi**

*Russia's "turn to the East": driving forces, content, impact on the socio-economic space of the Far East*

**Kolosov Vladimir Aleksandrovich**, Deputy Director of the Institute of Geography, Russian Academy of Sciences, Vice President of Russian Geographical Society, Past President of the International Geographical Union, Doctor of Geography (Russia);

**Sebentsov Alexander Borisovich**, Senior Researcher, Institute of Geography, Russian Academy of Sciences, PhD in Geography (Russia).

*Hydroecological safety of transboundary rivers*

**Garmaev Endon Zham'yanovich**, Director, Baikal Institute of Nature Management, Siberian Branch of the Russian Academy of Sciences; Vice President of the Russian Geographical Society, Doctor of Geography, Corresponding Member of the Russian Academy of Sciences.

*The Turkic-speaking world of Russia through the prism of ethnic and cultural geography: inherited spatial structures and modern trends*

**Streletsky Vladimir Nikolaevich**, Head, Department of Social and Economic Geography, Institute of Geography, Russian Academy of Sciences, Doctor of Geography, Professor (Russia).

*Spatio-temporal appraisal of glacial lakes, susceptibility analysis and potentials of glacial lake outburst floods in the peri-glacial environment of Western Himalayas*

**Atta-ur-Rahman**, President, Pakistani Geographical Association; Chair, Department of Geography and Geomatics, University of Peshawar, PhD in Geography, Professor; **Shirazi Safdar Ali**, PhD in Geography, Professor of Geography, University of the Punjab, Institute of Geography (Pakistan).

*Climate change impacts on agricultural production in South Asia*

**Rai Suresh Chang**, Department of Geography, Delhi School of Economics, University of Delhi, Ph.D., Professor (India).

*Climate change impact on streamflows in Bosnia and Herzegovina: a case study of the Lower Bosna River basin.*

**Gnjato Slobodan**, Assistant Professor, Doctor of Geography, Faculty of Sciences, University of Banja Luka (Republika Srpska, BiH).

*Climate change and spatial development in the Middle East: challenges and strategic adaptations*

**Anu Sharma**, Assistant Professor, PhD, Amity Institute of Defense and Strategic Studies (AIDSS), Amity University, NOIDA, Uttar Pradesh (India).

*Reactive and multidirectional neighborhood effects in human geography: conceptualization and operationalization*

**Okunev Igor Yuryevich**, Vice President of the Association of Russian Human Geographers (ARGO), Leading Research Fellow, Institute of International Studies, MGIMO University, PhD in Political Science, Associate Professor (Russia).

16-00 -18-00

### **Sectional sessions**

(presentation time limit: 15 minutes)

### **Section 1. Environmental and Economic Aspects of Spatial Development**

**Moderators: T.A. Bazarbaeva, Y.I. Ahmadaliyev**

*Environmental education and information awareness as a basis for the development of a green economy*

**Nizamiyev Abdurashit Gumarovich**, Doctor of Geography, Professor, **Momosheva Guliza Abylkasymovna**, PhD in Geography, Osh State University (Kyrgyzstan).

*Modern trends and prospects for the development of green economy in the Kyrgyz Republic*

**Saypidinov Ilham Makhmadisayevich**, PhD in Economics, Associate Professor, Osh State University (Kyrgyzstan).

*Theoretical aspects of the introduction of "green" technologies into the Russian economy*

**Cherdakova Alina Sergeevna**, Ryazan State University, PhD in Biology, Associate Professor (Russia).

*Problems of equitable, joint use of transboundary rivers in Central Asia: new challenges, threats and possible solutions*

**Adilhodjaeva Surayyo Makhkamovna**, University of World Economy and Diplomacy, PhD of Law, Professor (Uzbekistan).

*Geoenvironmental problems of the mining industry in Kyrgyzstan*

**Kultaeva Akmaral Kubanychbekovna**, Osh Technological University, PhD in Geography, Associate Professor (Kyrgyzstan).

*The economic essence and content of agrotourism in the conditions of the market economy of Kyrgyzstan*

**Artykbaeva Sununbu Zhumabekovna**, Osh Technological University Named after Academician M.M. Adyshev, PhD in Geography, Associate Professor (Kyrgyzstan).

*Healthy urban economies: the impact of infrastructure placement on population health*

**Kholina Veronika Nikolaevna**, Head, Department of Regional Economics and Geography, Peoples' Friendship University of Russia named after Patrice Lumumba, PhD in Geography, Associate Professor (Russia).

*The importance of medical climatology in the development of the economy of Yevpatoriya*

**Abazova Svetlana Vladimirovna**, Research Institute of Children's Balneology, Physiotherapy and Medical Rehabilitation, Researcher;

**Evstigneev Vladislav Pavlovich**, Sevastopol State University, PhD in Physics and Mathematics (Russia).

*Project development for water-protection zones of water objects of large cities in the context of water resources management (on the example of Minsk, Republic of Belarus)*

**Gertman Lyubov Nikolaevna**, Senior Researcher, Laboratory of Landscape Ecology, Faculty of Geography and Geoinformatics, Belarusian State University (Belarus)

**Kuzmin Saveli Ignatievich**, PhD in Geography, Associate Professor, Researcher at the Department of Landscape Ecology, Geographical Institute, Alexander von Humboldt University of Berlin (German)

## **Section 2. Geography of Tourism**

**Moderators: O.V. Ivlieva, K.T. Samiev**

*Prospects for the development of tourism in Central Asia within the framework of the transnational project "One Belt, One Road"*

**Usmanova Suraye Bultakovna**, University of World Economy and Diplomacy, PhD, Associate Professor (Uzbekistan).

*Specifics of the current stage of tourist interaction between Russia and the countries of Central Asia*

**Detochenko Liliya Valeryanovna**, Volgograd State Social and Pedagogical University, PhD in Geography, Associate Professor

*Problems of tourism development in Kyrgyzstan*

**Ibraev Syrgak Askarbekovich**, Osh State University, PhD in Geography (Kyrgyzstan).

*Some issues of tourism development in the south of Kyrgyzstan*

**Samiev Kalybek Tartankushovich**, Head, Department of Economic Geography, Sectoral Economics and Tourism, Osh State University, PhD in Geography, Associate Professor (Kyrgyzstan).

*Problems of development of inclusive tourism in the North Caucasus*

**Ivlieva Olga Vasilievna**, Southern Federal University, Doctor of Geography, Professor (Russia).

*Tourist and investment attractiveness of Krasnodar region, Russia*

**Bazhenova Svetlana Anatolyevna**, Novorossiysk branch, Financial University under the Government of the Russian Federation, PhD in Economics, Associate Professor.

*Models of using cultural heritage in excursion and educational tourism (the case of Belgorod region)*

**Martsinevskaya Larisa Vladimirovna**, Belgorod National Research University, Institute of Earth Sciences, PhD in Geography, Associate Professor (Russia).

*Evaluation of the recreational potential of the international tourist route "Baikal-Khubsugul"*

**Tsydyпова Marina Vladimirovna**, National Research University Higher School of Economics, Researcher, PhD in Technical Sciences (Russia).

*Location of high-tech medical care facilities as a factor in the development of medical tourism*

**Ananchenkova Polina Igorevna**, Head, Department of Economics and Sociology of Healthcare, National Research Institute of Public Health named after N.A. Semashko, PhD in Economics, Associate Professor (Russia).

### **Section 3. Geodemography and geography of migration**

**Moderators: G.N. Nyusupova, L.I. Popkova**

*Problems of demographic development in the Central Asian region*

**Mikayilova Aygul**, Baku State University, PhD, Lecturer (Azerbaijan).

*Migration behavior of the population of Kyrgyzstan*

**Belevov Zhenishbek Kachybekovich**, Osh State University, PhD in Geography, Associate Professor (Kyrgyzstan).

*Socio-economic consequences of modern migration of the population of Kyrgyzstan to Russia*

**Sazonova Nina Vasilievna**, Belgorod State National Research University, PhD in Geography, Associate Professor (Russia).

*Trends in socio-economic and demographic development of large cities of Azerbaijan*

**Badalov Etibar Sanan**, Institute of Geography named after G.A. Aliyev, Department of Demography and Geography of Population, Leading Researcher, Associate Professor (Azerbaijan).

*Future Geography Teacher: Socio-Demographic Aspects of Choosing a Profession*

**Shpak Nadezhda Nikolaevna**, Southern Federal University, teacher;  
**Merinova Yulia Yurievna**, Southern Federal University, PhD in Geography, Associate Professor (Russia).

*Ethnodemographic trends in population change in the Republic of Buryatia*

**Bolhosoeva Elena Borisovna**, Buryat State University named after Dorzhi Banzarov, PhD in Geography, Associate Professor (Russia).

#### **Section 4. New Directions of Human Geography in Research of Young Scientists**

**Moderators: S.S. Latchininsky, I.Yu. Okunev**

*Climate change and spatial development in Central Asia – a case study of Xinjiang, China*

**Xia Shengzhuo**, student at Lomonosov Moscow State University (China).

*Green energy in the EAEU: current status and main development challenges*

**Prokhorova Daria Aleksandrovna**, Research Intern at Lomonosov Moscow State University (Russia).

*Who settled in Tbilisi: adaptation features and infrastructure of Russian emigrants*

**Grelya Natalia Konstantinovna**, Lomonosov Moscow State University (Russia).

*Kaliningrad Region in the Context of Modern Geopolitical Challenges: Dynamics and Development Trends*

**Stryukovaty Vladimir Valerievich**, Immanuel Kant Baltic Federal University, post-graduate student (Russia).

*Arctic specificity in municipal strategies of the foreign Arctic: approaches to study and assessment of manifestation*

**Gres Robert Andreevich**, Junior Researcher at the Institute of Regional Economic Problems, Russian Academy of Sciences, post-graduate student at the Immanuel Kant Baltic Federal University (Russia).

*Analysis of geopolitical and geoeconomic components of spatial development using the example of the "Transit Mongolia" initiative and its strategic importance for the Russian Federation*

**Ulzetueva Ailana Dabaevna**, Baikal Institute of Nature Management, Siberian Branch, Russian Academy of Sciences, engineer of the 2nd category (Russia).

*Geoinformation methods for assessing the spatial development of social infrastructure*

**Melikhova Alina Vladimirovna**, Federal Research Center of Agroecology, Russian Academy of Sciences, laboratory research assistant (Russia).

#### **Section 5. Geography of Settlement and Geourbanistics in the Research of Eurasian Geographers**

**Moderators: R.M. Vulfovich, A.M. Sergeeva**

*Main trends in the development of settlement systems in the post-Soviet space: general and specific (cases of the Russian Federation and the Kyrgyz Republic)*

**Vulfovich Revekka Mikhailovna**, North-Western Institute of Management, Russian Presidential Academy of National Economy and Public Administration, Doctor of Political Science, Professor (Russia).

*The role of the administrative factor in rural-urban development of Russia in the 20th–21st century*  
**Gusakov Timur Yuryevich**, Russian Presidential Academy of National Economy and Public Administration, Research Fellow (Russia).

*The impact of urban development on the economy and city boundaries. A comparative analysis of historical settlements: the cases of St. Petersburg and Yelets*  
**Romanov Oleg Anatolyevich**, Union of Restorers of Russia, expert (Russia).

*Stages of reforming Russian rural areas: trial and error*  
**Gusakov Timur Yuryevich**, Russian Presidential Academy of National Economy and Public Administration, Research Fellow (Russia).

*Spatial features in the placement of relict Soviet intangible heritage of Leningrad - St. Petersburg*  
**Galustov Kirill Artemovich**, North-West Institute of Management, Russian Presidential Academy of National Economy and Public Administration, Project Director, Center for Urban Technologies and Spatial Development, PhD in Geography (Russia).

*Spatial and temporal changes in rural settlements of the Republic of Buryatia*  
**Tsydenov Bair Bayaskhalanovich**, Buryat State Agricultural Academy named after V.R. Filippov, Assistant Professor (Russia).

**Sergeeva Aigul Maksatovna**, Aktobe Regional University named after K. Zhubanov, Professor, PhD in Geography (Kazakhstan).

*Ambient media as a tool for promoting the urban environment (using local brands as an example)*  
**Ilyushkina Maria Yuryevna**, Ural Federal University, Head of Department, Associate Professor (Russia).

July 3 (Tuesday)

**Professionally oriented excursion to the tourist area of Lenin Peak (Chon-Alai district)**

July 4 (Wednesday)

Organized bus transportation for Congress participants (upon prior request) from Osh and Bishkek

June 5 (Thursday), Bishkek

**Arabaev Kyrgyz State University,  
Bishkek, Razzakova St., 51a, large assembly hall,  
building of the Institute of Natural Sciences and Tourism**

10:00 – 10:30

**Presentation of the congress and its participants**

**Presentations:**

- **Abdraeva Aigul Tolokovna**, Rector, Arabaev Kyrgyz State University, Doctor of Philology, Professor (Kyrgyzstan);
- **Dyldaev Mirlan Muktarovich**, Director, Institute of Natural Sciences and Tourism, Arabaev Kyrgyz State University, Doctor of Geography, Acting Professor (Kyrgyzstan);
- **Nizamiyev Abdurashit Gumarovich**, Director, Institute of Natural Science, Physical Education, Tourism and Agricultural Technologies of Osh State University, Doctor of Geography, Professor (Kyrgyzstan);
- **Vladimir Aleksandrovich Kolosov**, Deputy Director, Institute of Geography, Russian Academy of Sciences, Vice President of the Russian Geographical Society, Honored Geographer of Russia; Professor, Faculty of Geography and Geoinformatics of the Higher School of Economics, Past President of the International Geographical Union, Doctor of Geography, Professor (Russia);
- **Druzhinin Alexander Georgievich**, President, Association of Russian Human Geographers (ARGO), Director, North Caucasian Research Institute of Economic and Social Problems, Southern Federal University; Leading Researcher, Institute of Geography, Russian Academy of Sciences, Doctor of Geography, Professor (Russia).

10:30 – 12:30

**Plenary session**

***Research traditions and innovations in the development of national socio-geographical schools***

**Moderators: M.M. Dyldaev, O.V. Kuznetsova, Atta-ur-Rahman**

The presentation time limit is 20 minutes.

*Human Geography in modern Russia: main trends and priorities*

**Druzhinin Alexander Georgievich**, President, Association of Russian Human Geographers (ARGO), Director, North Caucasian Research Institute of Economic and Social Problems, Southern Federal University; Leading Researcher, Institute of Geography, Russian Academy of Sciences, Doctor of Geography, Professor (Russia).

*The place of geography in social world studies*

**Arzybaev Tynystan Kadyrovich**, Head of Department, Institute of History, Archaeology and Ethnology named after B. Dzhangerchinov, PhD in History (Kyrgyzstan).

*Ethnocultural geography: main trends in the context of modern challenges*

**Gerasimenko Tatyana Ilyinichna**, Institute of Geography, Russian Academy of Sciences, Doctor of Geography, Professor (Russia).

*Geography, ideology and politics in the post-Soviet Georgia*

**Sikharulidze Archil**, founder of the SIKHA foundation, Master in International Relations (Tbilisi State University), Master in Public Administration (Georgia).

*Ethnoecological approach to nature management*

**Abduvaliyev Xayitboy**, Fergana University, PhD in Geography, Associate Professor;  
**Ahmadaliyev Yusufjon**, Fergana University, PhD in Geography, Professor (Uzbekistan).

*Methods and data for assessing the impact of anti-Russian sanctions on housing construction in the St. Petersburg agglomeration*

**Lachininsky Stanislav Sergeevich**, Head, Department of Regional Policy and Political Geography, St. Petersburg State University (SPbSU); Senior Research Fellow, Institute of Regional Economics Problems, Russian Academy of Sciences, PhD in Geography, Associate

Professor; **Loginov Ilya Aleksandrovich**, post-graduate student at SPbSU, Chief Economist-Analyst at the Institute of Territorial Planning "Urbanica" (Russia).

*Potential for cooperation in the Altai transboundary region*

**Dunets Alexander Nikolaevich**, Altai State University, Doctor of Geography, Associate Professor (Russia).

12:30 – 14:00

**Lunch break**

14-00 – 16-00

Kyrgyz National University named after J. Balasagin,  
Bishkek, Frunze st., 547, main building (2nd floor, Large Assembly Hall).

**Welcome speech:**

**Chontoev Dogdurbek Toktosartovich**, Rector, Kyrgyz National University named after J. Balasagyn, Doctor of Geography, Professor (Kyrgyzstan).

**Plenary session**

***Spatial Development and Its Regulation at the State and Regional Levels: Universal Trends and Local Specifics***

The presentation time limit is 20 minutes.

**Moderators: E.Zh. Garmaev, E.A. Kolomak, V.N. Streletsky**

*Municipal themes in strategizing spatial development of Russia*

**Kuznetsova Olga Vladimirovna**, Deputy Director, Institute of Economic Forecasting, Russian Academy of Sciences, Doctor of Economics, Professor, Professor of the Russian Academy of Sciences (Russia).

*Economic and geographical bases for the use of natural potential of the Khachmaz region of the Republic of Azerbaijan*

**Imrani Zaur Tagir**, Executive Director, Institute of Geography named after Academician G.A. Aliyev, PhD in Geography (Azerbaijan).

*Economic and geographical features of the development of water-intensive industries in the Angara-Baikal region*

**Korytny Leonid Markusovich**, Chief Researcher, V.B. Sochava Institute of Geography, Siberian Branch of the Russian Academy of Sciences, Doctor of Geography, Professor (Russia).

*Regional differences in the contribution of agglomeration, structural and institutional factors to the performance of enterprises in Russia*

**Kolomak Evgeniya Anatolyevna**, Deputy Director, Institute of Economics and Industrial Organization, Siberian Branch, Russian Academy of Sciences, Doctor of Economics, Professor (Russia).

*Transformation processes in urban settlement of the Central Black Earth Region*

**Popkova Lyudmila Ivanovna**, Kursk State University, Doctor of Geography, Professor (Russia).

*Factors in the development of technological entrepreneurship in the regions of Russia*  
**Zemtsov Stepan Petrovich**, Director, Center for Economic Geography and Regional Studies, Russian Presidential Academy of National Economy and Public Administration, PhD in Geography (Russia).

16-00 – 18-00

### **Sectional sessions**

The presentation time limit is 15 minutes.

## **Section 6. *Infrastructure projects and interregional cooperation in Eurasia***

**Moderators: Imrani Zaur Tagir, L.M. Korytny**

*The role of the EAEU in Russian-Kyrgyz relations*

**Nikolaenko Anastasia Valentinovna**, Department of International Relations, North-West Institute of Management, Russian Presidential Academy of National Economy and Public Administration, PhD in Political Sciences, Associate Professor (Russia).

*Implementation of sustainable infrastructure projects as a factor of integration in the Eurasian space*

**Starikova Evgeniya Andreevna**, Department of Economic Policy and Public-Private Partnership, Moscow State Institute of International Relations, PhD in Economics, Associate Professor (Russia).

*Transport and infrastructure conditions for the development of the urban environment in Aktobe*

**Makhambetov Murat Zharakovich**, Aktobe Regional University named after K. Zhubanov, PhD, Associate Professor; **Khamit Altynbek Bolatbekuly**, Aktobe Regional University named after K. Zhubanov, Lecturer (Kazakhstan).

*Prospects for Foreign Trade Cooperation between Siberia and Central Asian Countries in the Context of "Friendliness"*

**Sherin Egor Aleksandrovich**, Institute of Geography, Siberian Branch, Russian Academy of Sciences, Research Fellow, PhD in Geography (Russia).

*Convergence and divergence processes in the Russian-Kazakh borderland*

**Stepanov Anatoly Vladislavovich**, Director, Center for the Development of Professional Competencies, Institute of Advanced Training, Ural Federal University, PhD in Geography, Associate Professor (Russia).

*Problems of formation of transport and logistics center in the Republic of North Ossetia-Alania*

**Tubieva Delyara Iosifovna**, Head of Department, North Ossetian State University named after K. Khetagurov, PhD in Geography, Associate Professor (Russia).

*The Ural-Volga region in the macro-zoning of Russia and Eurasia*

**Golubchenko Igor Vyacheslavovich**, Russian Presidential Academy of National Economy and Public Administration, PhD in Geography, Associate Professor (Russia).

*Participation of Kyrgyzstan in the development of international transport corridors in Eurasia: geoeconomic and geopolitical factors*

**Mikheeva Natalia Mikhailovna**, Department of Regional Policy and Political Geography at St. Petersburg State University; Department of International Relations at North-West Institute of Management of the Russian Presidential Academy of National Economy and Public Administration, PhD in Political Science, Associate Professor

*Development of economic regions in the central part of European Russia since the end of the 19th century*

**Kondakova Tatyana Yuryevna**, Head, Department of Social and Economic Geography and Tourism, Yaroslavl State Pedagogical University named after K.D. Ushinsky; Institute of Geography, Russian Academy of Sciences, Senior Researcher, PhD in Geography, Associate Professor.

## **Section 7. Directions and tools of social-geographical research**

**Moderators: T.K. Arzybaev, S.P. Zemtsov**

*Analysis of the settlement of ethnocultural communities from post-Soviet countries in the Moscow agglomeration using data from mobile operators*

**Babkin Roman Aleksandrovich**, Senior Researcher, Plekhanov Russian State University; Expert, All-Russian Research Institute of Labor, Ministry of Labor of Russia, PhD in Geography (Russia).

*Yemen and regional maritime management to enhance blue economy and maritime security by using GIS*

**Mohammed Humran**, PhD student, President, TUOAA SU (Yemen)

*The Role of Legal Values in the Eurasian Legal Space*

**Sergeeva Tatyana Nikolaevna**, Senior Lecturer, Moscow International University (Russia).

*Rethinking the role of the personality and works of P.P. Semenov-Tyan-Shansky in the geography and cultural space of Russia and adjacent territories*

**Moskin Roman Vasilievich**, Research and Expeditions Branch, Russian Geographical Society, PhD in Geography (Russia).

*Change of scientific paradigm in domestic economic geography in the 1920-30s*

**Muzalev Anton Aleksandrovich**, teacher of geography, St. Petersburg Cadet Corps "Boarding School for Girls", Ministry of Defense of Russian Federation (Russia).
